

CAYMAN CRICKET

The national governing body for cricket in the Cayman Islands invites applications from suitably qualified candidates for the position of

Youth Cricket Coach/Groundsman's Assistant

Job Description

1. To assist in the delivery of youth cricket development programmes within the Cayman Islands in accordance with Cayman Cricket's youth development plan.
2. To deliver youth cricket coaching aimed at preparing players for participation inter-school competitions, intra-school competitions, district-based competitions, and other programmes as required by Cayman Cricket's youth development plan.
3. To assist in the organisation and delivery of schools and community cricket competitions.
4. To work with Cayman Cricket's National Head Coach/Cricket Development Manager, development officers and other youth coaches in delivering targets for Key Performance Indicators ("KPI") set for youth programmes under Cayman Cricket's strategic development plan;
5. To assist with the preparation, management and maintenance of grounds utilised by Cayman Cricket, including: the preparation and maintenance of the batting pitches in a condition suitable for competitive cricket; cutting and maintaining the grass in the outfield from time to time; ensuring that playing and practice nets and pitches are properly marked and ready for play or practice when required; providing basic maintenance such as painting the sightscreens, boundary ropes and fences when required.

Requirements

The ideal candidate will have –

- (a) Experience playing cricket at a senior competitive level and/or internationally recognised certification as a cricket coach;
- (b) Previous experience as a cricket coach for boys and girls at the junior level;
- (c) Previous experience coaching in a structured cricket development programme;
- (d) Previous experience in the preparation and maintenance of cricket pitches and cricket grounds;

- (e) Current and valid certification in C.P.R. and/or First Aid.

Salary and Benefits

Based on qualifications and experience.
